**PURSUANT TO THE TEXAS DISASTER ACT OF 1975, FRIO COUNTY JUDGE ARNULFO C. LUNA HEREBY ISSUES THIS EXECUTIVE ORDER AS FOLLOWS:**

Effective as of 12:01 a.m. on Saturday, June 20, 2020 ("*Effective Date*"), and continuing through 11:59 p.m. on Sunday, July 12, 2020 unless extended, modified or terminated early by Frio County Arnulfo C. Luna or as otherwise indicated below:

- I. **Public Health Emergency:** That this Executive Order shall continue the local disaster declaration and public health emergency for Frio County for the period specified in this Executive Order and shall incorporate and adopt the most recent executive order GA-26 issued by Governor Greg Abbott on June 3, 2020, and any subsequent orders by the Governor relating to the expanded opening of Texas in response to the COVID-19 disaster.
  
- II. **Health and Safety Policy-Commercial Entities:** From the date of this Executive Order, all commercial entities in Frio County providing goods or services directly to the public must develop and implement a health and safety protocols ("**Health and Safety Protocol**"). The Health and Safety Protocol must require at a minimum, that all employees or visitors to the commercial entity's business premises or other facilities wear face coverings when in an area or perform an activity which will necessarily involve close contact or proximity to co-workers or the public, where six (6) feet of separation between individuals, family, and/or acquaintance groups is not feasible. If a visiting individual, family, and/or acquaintance group is situated in a business, such as a restaurant, where they are at least six (6) feet away from another visiting individual, family, and/or acquaintance group, masks will not be required of each visiting individual, family, and/or acquaintance group while they are maintaining six (6) feet of social-distancing away from other separate visiting individual, family, and/or acquaintance groups. If however, upon entering the business and before they can be located in a position that is at least six (6) feet away from a separate visiting individual, family, and/or acquaintance group, the commercial entity shall require the wearing of a face covering by each visiting individual. Additionally, if at any time, any visitor leaves the designated area where they are at least six (6) feet away from a separate visiting individual, family, and/or acquaintance group, the individual will be required by the commercial entity to wear a facial covering until the return to the area where the visiting individual, family, and/or acquaintance group is at least six (6) feet away from any separate visiting individual, family, and/or acquaintance group. Sample minimum recommended health protocols developed by the State of Texas can be found at

<https://open.texas.gov/>. The Health and Safety Protocol required to be developed and implemented by this Executive Order may also include the implementation of other mitigating measures designed to control and reduce the transmission of COVID-19 such as temperature checks or health screenings. Commercial entities must post the Health and Safety Protocol required by this Executive Order in a conspicuous location sufficient to provide notice to employees and visitors of all health and safety requirements. Failure to develop and implement the Health and Safety Protocol required by this Executive Order within five (5) calendar days following the Effective Date may result in a fine not to exceed \$500 for each violation.

- III. **Face Coverings-General Public:** That all people 10 years or older shall wear a face covering over their nose and mouth when in public place where it is difficult to keep six feet away from other people or working in areas that involve close proximity with other coworkers. The CDC advises face coverings for people 2 years or older. Face coverings may include homemade masks, scarfs, bandanas, or a handkerchief. Frio County residents should continue to maintain social distancing of a least six feet while outside their home. Frio County employees are also required to wear face coverings under the same circumstances as the general public.

**IT IS STRONGLY RECOMMENDED THAT YOU NOT OBTAIN OR WEAR MEDICAL MASKS or N-95 RESPIRATORS AS THEY ARE A NEEDED RESOURCE FOR HEALTH CARE PROVIDERS AND FIRST RESPONDERS.** Our healthcare workers and first responders on the front-line combating COVID-19 must have priority access to medical masks or other personal protective equipment. Face coverings do not need to be worn in the following circumstances:

- When exercising outside or engaging in physical activity outside
- While driving alone or with passengers who are part of the same household as the driver
- When doing so poses a greater mental or physical health, safety, or security risk
- While pumping gas or operating outdoor equipment
- While in a building or activity that requires security surveillance or screening, for example, banks
- When consuming food or drink

Please note that face coverings are a secondary strategy to other mitigation efforts. **Face coverings are not a replacement for social distancing, frequent handwashing, and self-isolation when sick.** All people should follow CDC recommendations for how to wear and take off a mask. Residents should keep up the following habits while in public:

- washing hands before you leave home and when you return,
- staying at least six feet away from others,
- avoiding touching nose, eyes, or face,
- not using disposable masks more than three times, and
- washing reusable cloth masks regularly to prevent the spread of the virus.

Consistent with Executive Order GA-26 issued by Governor Greg Abbott, no civil or

criminal penalty will be imposed on individuals for failure to wear face covering.

- IV. **Frio County Courthouse and Facilities:** That the Frio County Courthouse and other facilities shall have limited points of access, subject to modifications deemed necessary by the County Judge, and that all other county-owned or leased buildings have a single controlled point of entrance. Further, all citizens and employees shall be appropriately screened before entering any Frio County owned or leased building. At the control points, citizens and employees shall be asked certain risk-related questions and their temperature taken by least obtrusive means. Any individual with a temperature exceeding 100°F, or who fails the screening process will not be allowed to enter the building. Citizens are encouraged to call the department or office you are attempting to visit prior to visiting a county-owned or leased facility. All social distancing measures must be implemented at the above-described control points and while in any Frio County Facility.
- V. **Frio County Essential Business.** That residents of Frio County conduct essential Frio County business online or via regular mail to avoid visiting any Frio County facilities unless absolute necessary.
- VI. **Severability.** The sections, paragraphs, sentences, clauses and phrases of this Executive Order are severable and if any phrase, clause, sentence, paragraph or section of this Executive Order should be declared invalid by the final judgment or decree of any court or competent jurisdictions, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections that can be given effect without the invalid provision, and to this end, the provisions of this Executive Order are severable.
- VII. **Interpretation and Additional Terms.** To the greatest extent possible, this Executive Order shall be interpreted as consistent with and supplemental to any executive order issued by the Texas Governor. All provisions of the executive orders of the Texas Governor either existing or as, if and when issued, which are made applicable to all jurisdiction by law shall be automatically incorporated into and constitute terms of this Executive Order, enforceable as if set forth herein without necessary for the issuance of any further orders.
- VIII. **Enforcement.** Excepting Section III of this Executive Order and in accordance with the limitations contained in the executive orders of Governor Greg Abbott, that any peace officer or other person with lawful authority is hereby authorized to enforce the provisions of this Executive Order in accordance with the authority granted under the Texas Disaster Act of 1975.
